

October MEWA Newsletter

October 26th, 2024

Dear MEWA Members/PanArk homeowners,

Here are your October updates:

Billing: As a reminder, **Q3 invoices** are due end of October. PLEASE email mewainvoice@gmail.com and mewawater@gmail.com, if you have not received an invoice (*Please note that delinquent accounts are continuing to accrue \$25/month late fees*).

Building: If you are planning on building in Pan Ark in 2025 and have not already reached out to us about securing a water certificate, water tap, and curb stop, please do so ASAP to mewawater@gmail.com so we can continue planning our 2025 work.

Fire Hydrant Information:

You may have noticed different colored fire hydrant caps in the community; they indicate the class of the fire hydrants, see below for breakdown of GPM ranges.

- (1) Class AA — Light blue [1,500 GPM or greater]
- (2) Class A — Green [1,000—1,499 GPM]
- (3) Class B — Orange [500–999 GPM]
- (4) Class C — Red [less than 500 GPM]

Source Water Protection Stakeholder Meeting: If you would like to attend the CRWA Source Water Protection Workshop, it is on October 28th from 5:00pm-7:00pm **MST**. Further meeting details can be found at the link below:
<https://www.mountelbertwater.org/calendar> If you'd like to learn more about CRWA see link here: <https://www.crwa.net/>

September 2024 Well Pumping Volumes: Here's our September pumping volume updates - the 3 well's monthly pumping volume for September 2024 is 553,096 gallons, which is a daily average of 22,124 gpd. This is about 1% more than September of 2023, which averaged 20,118 gpd (*this years numbers included the Hemlock flush and hydrant flow testing*). For the first 9 months of this year, we are still 8% less than the first 9 months of 2023, which is great news!

Pan Arc Improvements: See pictures for exciting MEWA picnic pavilion progress - garage doors are installed and we are ready for winter!

Other: Aqua-Flo freeze protection devices are for sale (5 left), <http://www.groupwd.com/wd-aquaflo>, \$1800. Please contact Brent or Brian if you're interested in purchasing one this winter.

MEWA November Board Meeting Information: If you would like to join MEWA's November board meeting, see below for zoom link (*for future reference*,

this can also be found here: <https://www.mountelbertwater.org/calendar>).

Topic: MEWA Board Meeting November

Time: Nov 5, 2024 05:30 PM Mountain Time (US and Canada)
